

Health Testing Technician – Canton, MA – Part/Full-Time

Job Description

Are you looking to use your skills outside EMS or to start a career in the EMS industry? Do you like job perks, good pay, and growth potential? If so, then OccuMed Occupational Healthworks may be the right company for you! We believe in training and supporting our employee to be the best you can be. We feel we offer more professional training than most companies in our industry.

OccuMed is looking to hire several COVID Testing Technician (CTT) to support our mobile COVID testing activities.

The position's responsibilities include collaborative work with the medical and operational leadership at OccuMed, and contacts within the client's corporate structure conducting COVID testing. CTT responsibilities include temperature screening and the administration of COVID PCR Nasal Swab or Saliva Based Testing on individuals at local facilities throughout the Central New England area each day. Full PPE and all supplies are provided as well as monthly testing for yourself if needed. You must have certification in Advanced First Aid or complete an American Red Cross, American Heart Association, or other approved First Aid course.

Duties and Responsibilities:

- Participate in daily operations at OccuMed's mobile units and at on-site clinic
- Provide superior customer service to OccuMed's client and employees
- Conduct temperature screening at assigned client locations
- Administer COVID PCR Nasal Swab or Saliva Based Testing on individuals
- Support for onsite employee health and wellness efforts
- Documentation of care per OccuMed's medical and clinical procedures

Qualifications:

- High School Diploma required, Bachelor's Degree preferred (or equivalent experience)
- Current Advanced First Aid/CPR/BLS, (1-year preferred experience)
- Comfortable working in a worksite clinic environment
- Relevant occupational health and safety experience (PREFERRED)
- Experience in emergency medicine or critical care (PREFERRED)
- Strong computer and other technology skills (navigate cell phones, texting, fax machines, etc.), as well as familiarity with EMR software (PREFERRED)
- Capable of lifting a 50lb medical equipment bag
- Possess excellent verbal / written communication skills

Employer Considerations:

- Military experienced candidates are encouraged to apply
- Applicants with gaps in their resume, or who have been out of the workforce for the past 6 months or more
- Excellent opportunity for applicants just entering the workforce or returning to the workforce with limited experience and education

OccuMed Occupational Healthworks believes in the growth and development of our diverse workforce. EOE/M/F/D/V

The candidate chosen for this role will be offered a condition offer of employment that is subject to a satisfactory result of a full and comprehensive background check.

Job Type:

Part/Full-time (20-40 hours/week: Mon-Friday 7:00AM – 3:30PM) and occasional weekends

Report Location:

OccuMed Clinic in Canton, MA and/or client locations in central New England

Salary:

16.00/hour - \$18.00/hour (Temporary position with limited benefits)
